

## COMMUNITY

Meet with community partners to learn about other organizations in Clarkston, as well as participate in activities to get to know Clarkston.

## CLINIC

Work in the clinic to gain an extensive understanding of primary care, specifically serving populations from various cultural and ethnic backgrounds.

## SPIRIT

Discuss books, participate in a Bible study, and receive mentorship from the medical providers at Ethnē Health.

## GAP YEAR INTERNSHIP

Ethnē's Medical Gap Year Internship is a one year internship (July-June) that exists to expose interns to the idea of practicing holistic healthcare, while having a mission-mindset lifestyle that advances Jesus' love and justice in the vibrant community of Clarkston.

## TESTIMONIALS

"I've been increasingly encouraged by the staff and other interns during this time and have cherished our meeting times, book discussions, and Bible studies. I feel very blessed to have friends and coworkers who care for me, pray for me, and lift me up."

"One of the most encouraging things for me has been seeing how my work at the clinic has opened up opportunities for me to care for some of the Afghan families that have recently arrived in the Clarkston area."
